NEW DURHAM BAPTIST CHURCH

2009 PASTORS' CONFERENCE

"The Second Coming of the Scriptures"

WITH

DR. CLARENCE SEXTON

Pastor, Temple Baptist Church, Powell, TN

President, Crown College, Powell, TN

TUESDAY, AUGUST 11, 2009

9:00 AM - 3:30 PM

THE THEME:

The theme for this year's Pastors' College is "*The Second Coming of the Scriptures.*" We live in a critical hour in the life of our beloved nation. God's Word is the only sure foundation upon which to build our homes, our churches, and our country. In order for America to survive, it must be **reseeded with the WORD OF GOD.**

THE HOST:

On behalf of the New Durham Baptist Church and my fellow Independent Baptist pastors of New Jersey, we welcome you to this Pastors' Conference. I share your burden for the spiritual need in this part of the world. In recent years, New England has become the nucleus for the promotion of same-sex marriage, an abomination to our Lord. The Northeast United States has enormous influence in this country (and consequently in the world) due largely to its ethnic diversity and the stronghold of the media. As we reach this region, we reach the world!

Truly, the reseeded of God's Word in America is an essential task that falls upon our shoulders. It is my prayer that, through this meeting, our hearts will be refreshed, our faith strengthened, and our vision enlarged. Let us join together in reclaiming God's blessing on this **great nation!!**

~ Pastor Frank J. Cuzzo
